David Munday, of the Kingston section, had the misfortune to feel the weight of a mule's heel the other day. While working with the hybrid he got too close to his business and his muleship landed good and strong in Mr. Munday's mouth, knocking out several teeth and fearfully cutting his lips.

Bully For McDermott!  
It cost the State of Kentucky \$12.70 to settle the street car strike at Lexington. If acting Gov. E. J. McDermott had not been a man of judgment, sense and discretion, he would have called out the militia and the cost to the State would have run into the thousands of dollars. Bully for McDermott!—The Shelbyville Record.

There will be no advance in price of admission, the regular price of ten cents will be charged.

Big Show Coming to Richmond.  
One of America's oldest, richest tented shows, a modernized, great combination of the very greatest trained wild animals, the most superb horses and ponies, the greatest American and European artists, the latest "thrillers" that mankind can devise, and in fact the newest novelties of the present day, all in one union, will be found with Sun Brothers' World's Progressive Shows, now on their 23d annual tour, and will give two complete exhibitions at Richmond, August 27th. This stupendous aggregation is under the personal direction of the Sun Brothers, and the assurance is given that the program for the present season is newer and richer than ever.

To add to the variety, a complete Japanese Circus Company will exhibit the very cleverest Oriental acts ever imported to this country and now seen in America for the first time.  
Over 100 great artists appear with this big show. Dean and his matchless band appear at every performance and they are a delight to all who hear their great concerts. The menagerie and the wild beast exhibition is complete and an educational diversity.  
This great exhibition will appear in its completeness, rain or shine, at Richmond, August 27th.

## Public Speaking.

The Hon. A. L. Furgerson, of Georgetown, Scott county, vice-president and a member of the executive board of the Burley Tobacco Society and Company, will deliver an address to the members of the 1906-'07-'09 Pool on August 4th, Monday, county court day, at 1:30 p. m., at the court house in Richmond.

Mr. Furgerson will explain in detail the present financial condition of the society and company. This will be of vital interest to every tobacco grower, and especially to the poolers of 1900, who own the 10 per cent. stock in the Burley Tobacco Co. On this date your certificate of stock will be issued, provided you are at this meeting, and have with you your warehouse receipt; so do not fail to be at the meeting, bringing your receipt with you. There will also be a meeting of the Madison County Board of Control on the same date at 10 a. m., at the court house, in the grand jury room.

Please tell all the members of the pool and urge them to be present. The public is also cordially invited to be present to hear Mr. Furgerson. He is a brainy and logical speaker and a practical farmer. Every tobacco grower in the county should be interested in this meeting, as the future success of the Burley Tobacco Society and Company will to a great extent determine the price of your tobacco in the future.

Respectfully,  
Jesse Conn,  
Member Dist. B'd for Madison Co.  
I extend an invitation to every person who takes part in the Democratic primary to be held Saturday, August 2, to vote for me for the nomination for Sheriff. If I have not asked your support, consider this an invitation to vote for me. Elmer Deatherage. 84-5t.

The Turkey Trot, etc.  
The writer used to be somewhat of a terpsichorist, or words to that effect, before his thigh was broken, and he still takes great interest in the amusement for its own sake and that of his children, who have inherited a father's fondness for trying to put body and feet to the time of pleasing music. We, therefore, take little stock in the tirades against the turkey trot, the tango and other new dances, satisfied that those who have against them have very little knowledge of whereof they affirm. That they can be danced indecently, and they sometimes are, cannot be gainsaid. But decent people do not dance that way, and properly performed they are as pleasing and as proper as any other of the dances.

Recognizing the popularity of the two dances, Baden Baden has decided to hold an international tournament during the last ten days in August, with prizes aggregating \$2,500, part of which will, with a trophy, be awarded to the best dancer, which will carry with it the world's championship. It is a long distance to Germany and it costs considerable to get there, so the number of American couples will doubtless be limited, but those who can go will likely show the Germans and others a thing or two in dancing the turkey trot and the tango. We have couples right here in Lexington who could win the championship if they were disposed to spend so much money in getting that which would not be worth much after it was obtained.  
There have been those ever since we could recollect who seemed to regard dancing as the unpardonable sin. But while doubtless honest in their views, they belong to the old fogy class, who apparently do not believe the Bible when it says "there is a time to dance." These people miss a great deal of the pleasures of life and keep others from enjoying them.—W. P. Walton in Lexington Herald.

### Misses Cott Entertain.

Misses Myrtle and Hallie Gott entertained Wednesday evening in honor of their guest, Miss Margaret Tipton, of Georgetown. Some thirty-five or forty young people were present and the occasion was a most enjoyable one. Dancing was indulged in and it was close on to the wee sma' hours before the happy young folks could get their consent to leave the happy scene. A splendid meat-course lunch was served during the evening. The color scheme, with yellow and black predominating, was carried out in every detail.

Miss Caroline Farley's engagement to Mr. Jordan, of Pawtucket, Rhode Island, was announced at a breakfast this morning, given by her sister, Miss Elizabeth Farley. The decorations were rainbow effect in tissue paper, extended from one end of the table to the other. At each plate was a pot of gold, containing a crocheted bag in which was a Lincoln penny for a luck piece. The engagement was announced with little pink hearts, on which was the following: "Best wishes and congratulations to Caroline and Mr. Jordan, from Dan Cupid, August 19th, 1913." Covers were laid for nine and a very elaborate menu of six courses was served. The guests were Misses Elizabeth Wagers, Ray and Hattie Lee Millon, Marianne Collins, Hester Covington, Elizabeth Farley, Tommie Cole Covington and Eliah Buchanan.

Todd was a man of means and leaves a wife and two children.

### Heat Causes Loss of Life.

Heat caused the rails to swell and "buckle" on the L. & N. railroad three miles north of Livingston yesterday and a wreck, in which two persons lost their lives, was the result. No. 23 was derailed and John Davis, engineer, whose home was in Louisville, and N. F. Carey, fireman, also of Louisville, were killed instantly and Express Messenger Bridges, of Louisville, had three ribs broken. The train was running at a 40-mile per hour rate and the wonder is that the loss of life was not much greater. The engine was completely overturned.

### Do It This Way.

Don't make such a blunder as stamping under the device Saturday, whether you vote Democratic, Republican or Bull Moose ticket. This will spoil your ballot. Your vote will only count if it is stamped after one name in each race in the square provided for the cross mark, thus "X."

### Court Day Monday.

Monday next is county court day and all of the country people will come to town and talk about the primary. As business is a little more important than politics, we hope that some of them will turn their attention to the former for a while at least. And by the way, if you are behind with your subscription to the Climax, you can get a receipt at this office any time during the day. Try it.

### Give The Grass a Chance.

May be after the primary the grass in the court house yard will be given a chance to grow. During these hot, political days it has suffered much from the continual tramp and lounge of the loafer and floater. In many places in the pretty yard the grass looks as if it has almost been put out of commission. This hurts both the looks and comfort of things and it hurts Custodian Dargavell to the quick. He takes great pride in keeping the court house and yard spick and span, but it has been impossible for him to do himself justice during the parlor political times, which praise the Lord will come to an end with the setting of tomorrow's sun.

### The Vacation Idea.

I want to go to the mountains And breathe that fresh, keen air, And I'd like to take a motor And try the roads up there! Then I'd not dispense a fortnight Or a month down by the sea, With the salt-wave tonic proving And bringing health to me.

Then, of course, a yachting party Would pleasure much increase While on a well fixed cottage I wouldn't mind a lease; Or a hotel suite up northward In Canada's cool climate, Would help to make life pleasant And vary my rest time.

It goes without much saying That clothes of every style, For sport and ball and lounging, To have would be worth while, And plenty of spending money— I say, it seems to me There's sense in this idea Of elastic curetime.

—Baltimore American.

Suffragettes from all parts of the United States presented petitions to members of the Senate asking for votes for women.

Be free from CRITICISM.

Mrs. Housekeeper:—

The way to be free from CRITICISM is to have your house so tastefully furnished that your NEIGHBORS' tattling tongues can find nothing to CRITICISE. And you will like to have your friends come to visit you if your home is well-appointed throughout. A good way to avoid criticism is to go to a store you can depend upon for selling up-to-date furniture. And you want to go to a store where you know that the price is right and terms can be arranged to suit you.

## 100 in the Shade Days

ARE HERE

Are you ready to enjoy them, or will you  
Sweater and Suffer? When you get home  
from a hard day's grind at the store, of-  
fice or factory, you don't feel like working  
a palm leaf fan to keep cool, neither do  
you want to sweater. Then how many  
nights have you gone to bed but NOT to  
sleep, so hot you couldn't sleep. An  
electric fan at about one cent per hour  
going at slow speed will keep you cool  
before going to sleep and then make sleep  
possible. If comfort and sound sleep are  
worth anything to you, they surely are  
worth the price of the small amount of  
electric current that an electric fan will  
use. Of course an electric fan won't  
work in a house that isn't wired, so call on  
us or anybody who does wiring and get  
ready to REALLY ENJOY the hot days  
and nights that are here. Investigate our  
prices on fans. The manufacturers'  
stock is getting low, so get busy

## Steel Frame Low Spread Manure Spreader

Have you ever seen any spreader with more or as many  
good features? Waist high box—easy to load; makes the  
shortest turns and spreads evenly at corners; spreads when  
turning either way; positive force feed—no rolling forward of  
the load when the manure is moved toward the beater; even  
spreading until the last forkful is spread; made in seven sizes;  
wide and narrow boxes; special attachments for drilling and  
spreading lime.

Ask us also about our new wide spread attachment which  
scatters manure over an area eight feet wide—a very handy  
and convenient device for top dressing growing corn.

The next time you are in town stop and get a catalogue.  
Ask us to show you this machine—to show you how it will  
save work and increase profits. Give us a chance to prove  
that the Low Spread tops them all.

Don't Know They Have Ap-  
pendicitis.

Many Richmond people have chronic  
appendicitis (which is not very painful)  
and think it is just bowel or stomach  
trouble. Some have doctor for years  
for gas on the stomach or constipation  
and B. L. Middleton states if they will  
try simple buckhorn bark, glycerine,  
etc., as compounded in Adler-ika, the  
German appendicitis remedy, they will  
be surprised at the QUICK benefit. A  
SINGLE DOSE stops these troubles IN-  
STANTLY.

Big Man—Little Pony.

Talk about cruel treatment of dumb  
brutes, but have you seen our corpulent  
friend, Bob Walker, who tips the beam  
at about 350, driving that midget pony,  
which looks as if it would not weigh half  
that much? Well if you have not, you  
should watch out for him. He is show,  
and one cannot keep from thinking that  
Mr. Walker and his pony should take  
time about riding and pulling.

A division among republican Senators

over the tariff fight became apparent  
when nearly a dozen Progressives began  
a series of conferences to perfect busi-  
ness schedules that will be offered to  
the Democratic Tariff Bill by Senator  
La Follette, this faction, it is stated,  
feeling unwilling to support the Smoot  
amendment.

ferred with President Wilson on the  
Mexican situation, and it was reported

to recognize the Huerta Government,  
that the President would at an early  
date accept the resignation of Mr. Wil-  
son.

low, Ky.

Three deaths, scores injured and a  
property loss running into hundreds of  
thousands of dollars resulted from a  
cyclone in Washington Wednesday. The  
White House lawn was devastated. The  
tumult of the storm made it impos-  
sible for the Senate to transact busi-  
ness. President Wilson, who was at  
work in the Executive office at the  
White House, was hurried into an inner  
room away from the lightning.

Trying to think what upset your stomach or what it was you ate that caused  
the trouble? Listen! If your stomach is giving you trouble, if sour, gassy and  
upset, and what you just ate has fermented into stubborn lumps, your head dizzy
